

# Helping you stay Connected in Christ

Giving to Catholic radio is  
a spiritual work of mercy,  
providing instruction,  
counsel, and comfort.

Using Electronic  
Funds Transfer  
is a wise way to donate.

## Supporting Sacred Heart Radio with Electronic Fund Transfer (EFT)

---

EFT is:

- ◆ convenient
- ◆ simple
- ◆ safe
- ◆ time-saving
- ◆ predictable
- ◆ confidential

## What is EFT?

EFT stands for Electronic Funds Transfer. It is an automated transfer process that allows you to make contributions without writing a check.

### Are EFTs risky?

An EFT is even safer than writing a check, as it cannot be lost, stolen, or destroyed in the mail. The U.S. Federal Reserve regulates all EFT transactions.

### Will my bank charge me a fee?

No. It costs you nothing!

### What if I change banks, want to change my contribution, or find I have to cancel it?

You can call us and we'll discontinue it.
